

Proposed Offshore LNG Receiving Terminals in the Gulf of Mexico Port Pelican (ChevronTexaco)

June 14, 2004

Liquid Natural Gas (LNG) Facility Features

LNG Proposed Site

Safety Zone 500 meters

Proposed Route

Zone or Area
(shown with description)

Anchorage Area

Platform

Pipeline

Block

Fairway

Active Lease

Scale: 1:926000
Projection: Geographic
Datum: NAD27
Units: DD
Spheroid: Clarke1866

(Note: LNG infrastructure locations are an approximation.)

Sources: LNG infrastructure spatial information was compiled from various reports. In some cases, the infrastructure was created by visual interpretation of the figures in these reports. The data shown are an approximation of the location of LNG infrastructure and should not be used for final evaluation.
